Custom Naming Feature Option

When performance counts... Count on Loegering.

Constructed of rugged, heavy-gauge steel, Loegering pallet forks are built to withstand the rigors of any job site. With performance that exceeds your expectations, this innovative attachment has the added value of operator ease and enhanced safety. Also, pallet fork productivity is maximized when used with Loegering tracks. Loegering. Not just a better pallet fork. A smarter pallet fork.

Features & Benefits

- **Recessed forks** prevent damage to pallets, boxes or other bulky materials.
- **Adjustable forks** allow operators to adjust the spacing between fork tines from 9 to 45 inches.
- **Heavy-duty guard plate** prevents objects from sliding off while maintaining excellent visibility.
- **Universal mounting system** offers quick attachment to both old and new generation skid steers.
- **Convenient entry steps** allow operators easy access to the loader.
- **Multiple fork lengths** offer the flexibility to accommodate a variety of applications.
- **Custom naming feature option**
